Affiliate Reports	Wayne – National Guard is encouraging members to be active in community preparedness and luckily his employer gives him some flexibility to work around the county and attend meetings and trainings. He is working on getting the LEPC agenda items to Barbie Durham so they can be discussed at the meetings. Steve- There is a federal DEMORT team not sure what the response from the morticians' group in the state would be for a county disaster. We will try to get Keith Kneeland to come to the LEPC and report on that.
Brain storm for Ideas	Susan will check with JR in Norris and see if he has a trailer or knows of a used one that we could afford.
